

**The George Washington University  
Department of Computer Science  
Tenure Track Openings for Assistant or Associate Professor**

The Department of Computer Science at The George Washington University invites applications for two tenure track positions at the Assistant or Associate Professor level, beginning as early as Fall 2019.

We seek candidates that can augment or complement existing research strengths in Machine Learning, NLP, Vision, Graphics, Systems, Mobile Networking and Cybersecurity. New faculty will join a vibrant department housed in a new \$275M building that encourages interdisciplinary efforts across science and engineering. Current research is supported by federal sources including NSF, NIH, DARPA, IARPA, DOE, and many industrial sources.

The George Washington University is the largest academic institution in the nation's capital. The exceptional location affords the GW community unique cultural and intellectual opportunities, with close access to many federal funding agencies, research laboratories, and one of the largest concentrations of technology companies in the nation.

**Minimum Qualifications**

A Ph.D. in computer science or a related area by date of appointment is required. Applicants must demonstrate potential for developing a quality research program and for attracting research funding. All applicants must have demonstrated teaching excellence or potential at both the undergraduate and graduate levels.

**Responsibilities**

Faculty hired into this position will be expected to build a substantial research program, mentor graduate students in research and teach courses at the undergraduate and graduate levels.
