The Women in Tech Summit is a series of annual, multi-location, events that inspire, educate and connect women in the technology industry. The conference works to bring together women in many different types of careers in tech and at every level from students to senior executives.

Hands-on tech workshops
Panels and discussions
Networking opportunities

Inspire. Educate. Connect.

March 19, 2016 // 8:30 AM - 5:00 PM
Marvin Center @ George Washington University
